

V O L V O

The comprehensive Volvo Selekt warranty covers the cost or replacement of any factory-fitted mechanical or electrical component which suffers a mechanical or electrical failure. The only exceptions are:

Spark plugs, auxiliary drive belts, hoses and pipes (Power Assisted Steering pressure pipes are covered), exhaust system (catalytic converters are covered), clutch frictional material, brake shoes, pads and discs, lamps (xenon headlamps are covered), bulbs, fuses, batteries, paintwork, body panels, body seals and weather strips, handles and hinges, cosmetic finishes, carpets and trim, upholstery, glass, wiper blades, wheels and tyres, the rectification of any oil leaks (unless the removal of a major unit is required) and the adjustment of any component, servicing, maintenance and normal wear and tear.

In the event of a successful claim, we'll also provide a contribution towards recovery charges, replacement vehicle hire, overnight hotel expenses, emergency travel and consequential damage (Warranty Terms and Conditions apply). Cover is also extended to the continent of Europe for UK residents.

IMPORTANT: Vehicles should be serviced in accordance with the Volvo servicing schedule by an authorised Volvo repairer. Failure to do so may invalidate this warranty. Leeway of one month or 1,000 miles is permitted. Should you have any doubts concerning the service requirements of your Volvo, please contact your dealer for clarification.
